

International Deaf Basketball Association Interimistic Board

Minutes kept at meeting
1999 05 02 in Tallinn

Present:

Aleksas Jasiunas, vice president
Riina Kuusk
Christian Boklund

01. Opening of meeting

In the absence of the president Jussi Raisio, the vice president Aleksas Jasiunas welcomed the present and opened the meeting.

02. Keeper of minutes

It was decided that Christian Boklund would keep the minutes of the meeting

03. Support of IDBA-activity

Since the Foundation meeting in Turku 1998 when the International Deaf Basketball Association informally was founded there had been rumours that neither Riina Kuusk nor Aleksas Jasiunas were present at the meeting and that they were not supporting the new basketball association of the deaf.

The meeting decides

to advice both Riina Kuusk and Aleksas Jasiunas to sign a declaration in which they both confirm their presence at the Foundation meeting and that they both support the IDBA.

Riina Kuusk and Aleksas Jasiunas sign the declaration

04. Coming IDBA-activities

a/ Statutes

It was informed that the president Jussi Raisio now is working on the statutes of the IDBA outlined from the International Wheelchair Basketball Federation and will soon send these statutes to CISS and its Confederations, all National CISS-members and all National Basketball Organizations together with minutes from the Foundation meeting and a letter with explanations of it all.

The meeting decides

to acknowledge the above planned steps by Jussi Raisio.

05. Addition to Interimistic Board

Additional members to the Interimistic Board was discussed. Riina Kuusk and Christian Boklund were asked to become members of the Interimistic Board. Both said yes.
