Clinic to be held at:

Gallaudet University
800 Florida Avenue, NE, Washington, DC 2000,
United States of America

14 - 18 July 2010

- CLINIC PARTNERSHIPS -

Official Invitation to Elite Deaf Basketball Referees from around the world

Dear Deaf Basketball Referees,

On behalf of the international governing body for deaf basketball – DIBF, in conjunction with FIBA and USADB, we are pleased to invite you to our DIBF 2nd International Deaf Basketball Referee Clinic to be held at Gallaudet University in Washington, DC, USA.

The renowned Gallaudet University was founded in 1864, and is the world's only deaf university which has a rich education and sports history for deaf people.

This will be an excellent facility for high-grade experienced and elite international deaf referees to undertake the extensive four days referee clinic lead by DIBF and FIBA lecturers and officials.

At the end of the clinic, a selection of deaf referees will be chosen after extensive update training, assessment and evaluation of high standards, and they will be awarded the DIBF International Referee Licence. This will qualify the participant to officiate at international deaf basketball games around the world, such as regional and world deaf basketball championships, and the Deaflympic Games. In addition, at certain deaf basketball games, the participant will be able to work alongside active FIBA International referees.

Existing DIBF International Deaf Referees will also be participating to revise their qualifications and for reassessment thus ensuring universal consistency and the maintenance of high standards.

Please see following pages for more information, contact details and a registration form.

I extend my very best wishes to the organisers, officials, and the participants.

Your sincerely,

A handwritten signature in black ink, appearing to read 'Lyndon Borrow', with a long horizontal stroke extending to the right.

Lyndon J. Borrow
President
Deaf International Basketball Federation
www.dibf.org

Eligibility of Elite Deaf Referees

This international deaf referee clinic will be of a high standard in term of experience, knowledge and fitness. The referees should already be able to deliver with smooth handling under the pressure such as grand final games, to control the teams in good order, to be impartial and punctual with professionalism.

The minimum of eligibility to enter in order to have evaluation by the senior DIBF & FIBA officials to obtain DIBF International Deaf Referee licence must prove they already have number of years experienced of officiating several games in both hearing and deaf basketball. It can be in local, regional or professional level using the same rules as FIBA including the 3-person mechanics/officiating.

We understands that several different countries has different ways of ranking the referees however we are looking for deaf referees who may have upper grade levels such as A, B or C grade (or level 1, 2 or 3) – the higher the better. The deaf referee should already be active and hold such licence, certificate or document of permit for refereeing the basketball.

Clinic venues / facilities - Gallaudet University:

The clinic will be carried out at one of the lecture rooms and on the basketball court at the Gallaudet University campus in Washington DC, USA.

For more information about the campus, photos and more – please see their websites:

Gallaudet University: www.gallaudet.edu
Gallaudet Athletics: www.gallaudetathletics.com

For clinic programme – please see page 5.

Accommodation & Meals:

All participates and officials will be staying Benson Hall dormitory in the Gallaudet University. Registration, including housing check-in and check-out, will be held in this dormitory.

Upon arrival, the host organisers will provide access cards for dorms and meals. The participates will be given with appropriate identification badges to distinguish from other groups on campus.

The meal plan, covers breakfast, lunch and dinner in the Student Union Building's Market Place, which offers a buffet style menu. Dining at other locations on campus will not be covered under the meal plan.

Dining hours in the Market Place are:

Breakfast	7:00 am	–	9:00 am
Lunch	11:00 am	–	1:30 pm
Dinner	4:30 pm	–	7:00 pm.

Transportation - Airport & Gallaudet University:

The host organisers will be transporting deaf referees between the Washington Dulles International Airport and the Gallaudet University – approximately 40-60 minutes drive. Participants will need to provide flight itinerary to host organisers for pick up arrangements.

All deaf referees will need to arrange their own flight tickets and travel visa to Washington Dulles International Airport. You should endeavour and ask your country deaf sports federation or your hearing basketball/referee organisation or the government to support for your participation to this international deaf referee clinic.

Languages, Communication and Interpreters:

This clinic will provide international sign language interpreters to translate lecturers / presenters' verbal speech. The deaf lecturers / presenters will be able to use international signing language and all documentation / publications will be in English.

Registration / entry:

DIBF have assisted with funds to help to reduce the cost of registration fee for all each deaf referees.

The total of the reduced registration fee is **\$150 USD** (one hundred and fifty United States dollars) which includes registration, 4 nights' dormitory, 3 meals a day, facilities, ground transportation, security and et cetera.
