Dear all Presidents and Secretary Generals,

The Deaf International Basketball Federation (DIBF) stands for equality, justice, and respect for all. DIBF is a global organization and we must reflect and celebrate the world's rich diversity.

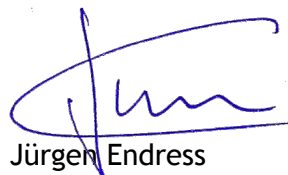

Recent events make it clear that all of us need to work harder to overcome racism, hatred, mistrust, and injustice. DIBF affirms that we must rise together to ensure that we always treat each other with dignity, respect, and kindness.

#BlackLivesMatter

Yours Sincerely,

Ioannis Stoufis
President
