Subject: Compliance with the World Anti-Doping Code - Reinstatement

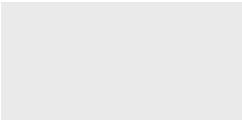

Dear Mr. Stoufis,

As you are aware, the World Anti-Doping Agency's (WADA) Executive Committee declared the Deaf International Basketball Federation (DIBF) non-compliant with the World Anti-Doping Code effective on 7 October 2021.

Following the recent adoption of anti-doping rules in line with the World Anti-Doping Code by DIBF, we are pleased to inform you that following a recommendation of our independent Compliance Review Committee, WADA's Executive Committee, at its meeting today, has determined that DIBF should be reinstated with immediate effect and therefore removed from the list of non-compliant Signatories.

We are pleased with this progress and look forward to continuing to work with the DIBF to protect clean athletes.

Your sincerely,

Olivier Niggli
Director General
